RE: 2027 OverDrive Funding Commitment to our Fiction Collection

OVERDRIVE FUNDING COMMITMENT AGREEMENT FOR CALENDAR YEAR 2027

Contributions from OWWL Member Libraries are held in a pooled fund account with OverDrive to purchase downloadable fiction materials.

In 2026, OWWL Library System contributed $15,000 from our budget to fund our OverDrive Collection.

For 2027, we have requested a 3% increase on your 2026 commitment. To help you budget for this expense each year, plan on a 3% increase to your prior commitment.

For bookkeeping reasons, and to assure a consistent fund balance, OWWL will invoice libraries once or twice a year (based on your individual choice) and we will forward the amount collected to OverDrive.

OWWL Invoicing intervals are:

- January 2027
- July 2027

Please complete and return via email the Funding Commitment Form by Tuesday, November 10th to Kelly.

If you have any questions, please contact Kelly or Ron.

Please Note – If you receive funds from the FFRPL Grant, Do NOT include that amount in your 2027 OverDrive Funding Commitment amount, there will be a separate form for you to complete.

Please complete and return
